

ERRATA SHEET

The following acknowledgments and notice were omitted from the attached report *Waste Prevention, Recycling, and Composting Options: Lessons from 30 U.S. Communities*.

Acknowledgments

Waste Prevention, Recycling, and Composting Options: Lessons from 30 U.S. Communities was prepared under U.S. Environmental Protection Agency grant number X-81757-01-O by the Washington, DC-based Institute for Local Self-Reliance. Institute for Local Self-Reliance research staff included Brenda Platt, Naomi Friedman, Carolyn Grodinsky, Pia MacDonald, and Margaret Suozzo. U.S. EPA participants included William MacLeod, Truett DeGeare, and George Garland.

EPA would also like to acknowledge the assistance of the following reviewers, whose comments on previous drafts helped to refine this report:

Steve Apotheker	<i>Resource Recycling</i>
Pavitra Crimmel	Garbage Reincarnation
Lauris Davis	EPA Solid Waste Program
Sam Doctors	Center for Business & Environmental Studies
Shelly Dresser and Michael Alexander	Northeast Recycling Council
Michael Frisch	Center for the Biology of Natural Systems
Margaret Gainer	Gainer & Associates
Jim Glenn	<i>BioCycle</i>
Eric Lombardi	Eco-Cycle
Kathleen Meade	National Solid Wastes Management Association
Steve Sargent	Rumpke, Inc.
Frank Sudol	City of Newark Division of Engineering
John van der Harst	Bring Urban Recycling to Nashville Today
Marica Williams	Consultant, Browning-Ferris Industries

These individuals and their organizations do not necessarily endorse the ideas or findings expressed in this report.

Notice

Readers interested in the details of community recycling operations are encouraged to obtain a copy of the case studies on which this report is based. These case studies are published as *In-Depth Studies of Recycling and Composting Programs: Designs, Costs, Results*, a book available in three volumes: *Rural Communities*, *Suburbs and Small Cities*, and *Urban Areas*. These volumes are available from The Institute for Local Self-Reliance (2425 18th Street, NW, Washington, DC 20009, 202-232-4108) and starting in 1997 also from the National Technical Information Service (5825 Port Royal Road, Springfield, Virginia 22161, 703-487-4650).
